WELCOME TO THE YMCA OF GREATER MICHIANA SUMMER DAY CAMP PROGRAM!

Dear Parents,

We are committed to providing your child with a safe, enriching summer experience that incorporates the YMCA core values of Caring, Honesty, Respect, Responsibility, and Inclusion.

Camp is a fun place for your child to meet friends and learn new skills. Furthermore, at our Y you can also expect that your child will benefit by learning lifelong skills and building a stronger character. Through the week, campers will participate in a plethora of activities that teach our character values while being encouraged and recognized for demonstrating these values throughout their camp experience. Y character counts!

At the Y, it's vital that children are engaged in activities in which they are continuously learning and provided experiences that build self-esteem. Our summer camps include programs where children learn by hands on experiences, dramatic play and are physically active.

We know that the quality of your child's camp experience hinges on the excellence of our staff members. Because our staff team means so much to each of our campers, we focus on selecting, retaining and training the best Camp Leaders. Our staff members are engaging, energetic, fun and excited to spend each day of camp teaching your child.

You have made a great investment in your child's future!

YMCA Summer Camp Leadership

MISSION & PHILOSOPHY

This parent handbook provides valuable information about your camper's activities, the Program's philosophy, policies, and general information about our program. You may refer any questions regarding this handbook to the Program Director at your chosen branch.

YMCA MISSION STATEMENT

We put Christian principles into practice through programs that build healthy spirit, mind, and body for all.

PHILOSOPHY

YMCA day camp programs foster each child's cognitive, social-emotional and physical development through opportunities and experiences which focus on achievement, relationships and belonging. It is our belief that each camper is a unique individual with his or her own rate of development. Our goal is to introduce the campers to as many positive experiences as possible that will assist in the development of individuality in each camper and encourage an awareness of themselves and others.

The planning of each activity is offered in a physically and emotionally safe environment consistent with evidence-based principles of youth development. Each child is encouraged to develop at his or her own unique rate by encouraging skill development and leadership opportunities. Through the Y's day camp program, campers participate in fun and educational activities that help them with:

- **ACHIEVEMENT** - Learn and master skills that help them realize their passion, talents and potential
- **RELATIONSHIP** - Build friendships with new friends and staff adding to their well-being
- **BELONGING** - Help them feel like they belong so they feel safe, welcome and free to express their individuality

We are partners in your child's development. We aim to provide opportunities to strengthen the family unit and give the family and the YMCA the opportunity to work, play, learn and thrive together.

Finally, the YMCA collaborates with other organizations which are committed to serving the needs of all children and families. It's through these collaborations, a strong youth development focus and intentional program assessment that the Y delivers consistent quality programs.

SPECIAL NEEDS

If a child has special needs, please contact the Y so that we can set up a time to talk before the child begins attending our program. We welcome all children at the Y, however, we do not have the capacity to provide one-on-one staffing support and attention. This meeting is designed to exchange information to make sure we can accommodate your child's needs within our staffing capabilities. We want to see that the family's needs and expectations are met. We encourage open dialogue about what works, and what doesn't, for your child.

ENROLLMENT PROCESS & EXPECTATIONS

This information will help you understand the enrollment and payment processes. Payments are due every Thursday before the week of attendance.

- A \$10 late fee per child will be assessed to all payments received after due dates
- Cash payments are not accepted; payment options are credit card, check, money order, or credit card draft.

FINANCIAL ASSISTANCE

The Y is firmly committed to access for all, regardless of family financial situations. The amount of financial assistance awarded each year is dependent on the amount of fundraising and donations received each year. Financial assistance is available for families who qualify. MDHHS funding applies to select camps: Gla-Da-Wen-Ta & Young Adventure.

Scholarship forms must be fully completed with all information included. Allow a minimum of three weeks for processing. All fees apply as normal until the application has been reviewed and approved. All scholarships are subject to availability of funds.

DROP OFF & PICK UP

Parents will be required to sign their children out. For the safety of your child, campers will not be released to anyone whose name is not on the Child Information Record Form. Parents must send a note if someone not listed on this form will pick up your child. A photo I.D. will be required when picking up your child from camp.

FOR SAFETY REASONS, Children will not be dismissed early without written prior notification to the camp supervisor.

What if I am late picking up my child?

We understand unavoidable situation may arise. If you find that you are going to be late, please call immediately to let us know so neither staff nor your child will worry.

After waiting for 15 minutes, staff will begin calling the child's emergency contact list for those allowed to pick up the child. If staff has waited an additional 30 minutes and you have made no contact, proper authorities will be called.

You will be required to pay an additional fee of \$10 for each 10-minute increment past closing time. Payment is to be made at pickup.

Summer My Way®

Monday–Friday

YMCA day camp programs will be open Monday through Friday. Hours vary at each program. Pre- and post- care are available.

For more information, please check with the director of your camper's program.

DAY CAMP PROGRAMS WILL BE CLOSED ON THE FOLLOWING DAYS:

- Independence Day (July 3 & 4)

The program will make every attempt to remain open. However, it reserves the right to close based on licensing recommendations and the safety of the children in our program. In the event of severe weather, closings will be posted via email and the YMCA website (www.ymcagm.org). Tuition remains the same, regardless if the program closes for any unforeseen circumstances (severe weather, power outage, as examples).

***MANDATORY* SIGNING IN & OUT**

Signing in and out is required by state licensing, and is also required for the purposes of financial assistance through DHS.

All children must be signed in and out of program daily by a responsibly adult (18 years or older). The individual signing the child out of the program must be listed on registration information and be prepared to show identification. The child will not be released without written permission from the parent/guardian.

It is a good idea for the family to acknowledge a member of the YMCA Child Development staff, whether they are inside or out, so we can fully acknowledge your presence. This is helpful for our staff to physically see that the children are present as well as taking note from the attendance sheet.

DISMISSAL FROM CAMP PROGRAMS

Families with the following unresolved issues may be dismissed from the program:

- Excessive tardiness in late pick-up fee payments or failure to pay fees
- Discipline problems that cannot be solved after repeated attempts
- Disrespect from parents toward staff or youth
- A child's behavior becomes detrimental to him/herself or others

On rare occasions, the program director may determine that a child be withdrawn from the program due to behavior concerns or other problems that are disruptive to the program. Partial refund determined by participation may be made if payments have already been made and the service is no longer needed or in use.

Pesticides are periodically applied to school district property as part of the district's pest management program. Please be advised that parents or guardians of children attending the school or day care center are entitled to receive the advance notice of a pesticide application, other than a bait or gel formulation, by first class United States mail postmarked at least 3 days before the pesticide application, if they so request.
